

Dedicated Board Members Needed

Looking for a great way to share your expertise with a small organization who has as BIG impact? Currently looking for dedicated members with a passion for the Arts &/or the Special Needs Community. **Areas of Expertise Needed: Lawyers, Donor Relations, Finance & Performing Arts**

Benefits to Joining:

- **Like minded people:** Engage in robust discussions, make important decisions, share your input, and have fun along the way. We are a committee that always takes the time to get to know each other.
- **Special environment:** From the moment you walk into the studio, you know that you are someplace special. And from the day you join the Board, you become an essential reason why *danceability* is an important place for our dancers and their families.
- **Try new things:** Whether you are new to your career or already retired, creativity isn't just the role of our dancers and their teachers, the Board of Directors are always taking on new things.
- **Use your skills:** Unlimited ways to contribute whether you have a background in marketing, fundraising, Human Resources, IT, Law, or something else. We will consider it all.

What Do You Commit To?

- **Monthly board meetings:** Either in-person or virtual for 2 hours on a Monday evening.
- **Participation on one of the following meetings as scheduled:** Committees, Operations, Finance, Marketing, Grant Writing
- **Donor Development:** Bring in community members to see the great work we do. Create and facilitate efficient fundraisers and secure sponsorships.
- **Help achieve our current strategic plan:** To be a place where dancers, families, volunteers, and Board Members of diverse backgrounds want to be.
- **Appreciation:** You do NOT need to be a dancer (most of us are not), nor have a family member with special need (only a few of us do) - but you need to see the beauty in what we collectively achieve.
- **Contribution:** We want *danceability* to be one of your top three organizations you contribute to, whatever that amount is consistent with your means.
